OBJECTIVE: To produce artwork that is functional and effective for the consumers needs.

QUALIFICATIONS:

I have been working as a graphic artist since 1998. Since 2000, I've been the lead artist for Keith's II Sports during the day. And a freelance graphic artist at night. My daily duties include creating artwork for screen printing and embroidery on a wide variety of garments. This includes producing corporate and academic logos. I also create brochures, flyers, and letter-heads for Keith's 2 and my freelance customers.

I have been working on Apple Macintosh computers since 1993. This includes the Mac classic operating system and OS X. I can also perform maintenance on Apple computer systems. Also, I have experience working on Windows PC's since 1996 which includes Windows XP and Windows Vista.

I've proficient with these design programs: Adobe Illustrator, Adobe Photoshop, Adobe InDesign, Typestyler, & Adobe Streamline. I have also worked in Quark Xpress while in college.

I can also use most office programs like Word, Works, & Appleworks.
