

Dear Parents and Guardians of MRUHS Class of 2015 Seniors,

It is hard to believe that our students will be graduating in five weeks. The Project Graduation Committee has been working hard throughout the school year raising money for this year's Project Graduation. We have almost reached our fundraising goal. However, if each family would consider donating \$25 or more we would exceed our goal. This year's Project Graduation will be held at the Fun Spot in Queensbury, New York.

Students will board a bus at 9 pm on June 10th and return to Mill River around 4:30 am on June 11th. Parent chaperones will be on the bus as well as at the Fun Spot. Students will receive admission into the Fun Spot as well as food, prizes, and entertainment.

Recently, each family was mailed five Pampered Chef Bingo tickets. This event will be held Friday, May 15th in Mill River cafeteria. Please return unsold tickets and sold tickets with payment to the school office by 5/13. We need families to work the event, provide food donations, and baskets to raffle. If you are unable to attend please consider placing an order online. The link to our party is <http://www.pamperedchef.biz/marcibarrows>. Once at this link, you can click on "shows you are invited to or hosting" in the upper left hand corner then click on "looking for a specific show," then type in MRU Project Graduation. Our fundraising site will appear at the bottom of the page. Please contact Kathy Beauchain at 773-8783 or beaubunch@comcast.net to volunteer or with questions.

Enclosed you will find a sponsorship letter. If you have a connection to a local business, please feel free to forward this letter for their consideration.

You will also find a permission slip enclosed for Project Grad. You and your student should sign and date this document and return it to the office no later than 6/1/2015. Please complete this form, regardless of whether your student is planning on attending, so we know that we have reached each family. We need an accurate count so we can plan adequate bus support, prizes, and food.

If you are able to assist with fundraising or would like to be involved on the Project Graduation Committee please contact Kristen Hixon at kristen.hixon@yahoo.com or 236-4966.

Thanks,

Project Graduation 2015 Committee
