

RE: MRUHS Class of 2015 Project Graduation

Dear Friends of Mill River Union High School,

We are fundraising for the MRUHS Class of 2015 Project Graduation Celebration. The purpose of our efforts is to provide the graduates with a chaperoned, drug and alcohol free party in order to ensure a safe evening after graduation on June 10, 2015.

Project Graduation provides entertainment and food as well as door prizes throughout the evening. We are anticipating that every graduate in attendance will have the opportunity to win at least one door prize.

In order for this project to be a success we depend on donations from parents, individuals, and businesses. We would appreciate any support you can provide to our graduates for this worthwhile event and are requesting that donations be made on or before May 29, 2015. The school's tax exempt identification number is 32468. Please make checks payable to Mill River Union High School. Mail your donations to MRUHS Project Graduation, 2321 Middle Road, North Clarendon, Vermont 05759.

We thank you in advance for your generosity to this worthy cause. Please contact Kristen Hixon at 236-4966 or kristen.hixon@yahoo.com for more information.

Sincerely,

Kristen Hixon

Project Graduation Committee
